Simple Past – Verben, Signalwörter, Fragen und Verneinung

Englisch, Klasse 6 (Gymnasium)

Today you will practise the Simple Past: regular and irregular verbs, signal words, questions and negation. Work through the tasks in order — they get more challenging.

Tom loves writing about his life. Two days ago, he visited his cousin in Munich. Yesterday, he played football in the park with his friends. Last week, his class visited a science museum in Berlin. In 2019, Tom's family traveled to Italy for the first time, and he still remembers it well.
